

# Michael Leckie

Speaker for Change, Author of *The Heart of Transformation*

Key Focus: Identify, and bust, the myths of change and transformation. Make immediate, simple shift in behavior that make all the difference in individuals and organizations.

## SUGGESTED INTRODUCTION:

Michael Leckie brings over 30 years of leadership and consulting experience to his role in driving transformation in a digital world. He believes that digital transformation is a combination of the human and the technological and that our organizations can only make the changes needed to thrive through addressing both the social and technical systems of which they are made.

## SPEAKING TOPICS

### **Escape from the Emerald City - The 7 Myths of Change and Transformation**

The words change and transformation are on everybody's lips, and mind, but what is really changing? Michael Leckie—former Chief Learning Officer for Transformation at GE and author of *The Heart of Transformation: Build the Human Capabilities that Change Organizations for Good*—will expose the myths of change that are holding you back from true transformation and explain exactly how to set yourself, and your organization, free.

### **The 5 Questions of Digital Transformation**

Digital transformation is so ubiquitous that organizations, and their leaders, are getting fatigued just thinking about it. But their being sick of it doesn't make the reality go away. Michael Leckie—former Managing Vice President at Gartner and CLO for Digital Transformation at GE—shares with you the five key questions that mean the difference between success and failure in your transformation efforts.

### **How Great Leaders Become Transformative Leaders with Michael Leckie & Mark Bowden**

Leadership has changed, but have our leaders changed as well? Are today's leaders meeting the demands of the modern, digital organization? Can they meet those challenges or are we now asking leaders to do the impossible? Michael Leckie—thought leader on change and transformation—and Mark Bowden—world-renowned expert on communication and influence—take their work helping great leaders become truly transformational and bring it to all leaders to help them on their journey wherever they are.

*“Drawing on a wealth of experience as a transformation leader, his passion for change leaps off the page, and his advice is as encouraging as it is practical.”*

Adam Grant, #1 New York Times bestselling author of *Think Again* and host of the TED podcast *WorkLife*
